Pursuant to the Notice to File Missing Parts of Nonprovisional Application mailed January 7, 2002 informing us that the oath or declaration is missing, we are enclosing a copy of the "Declaration" as filed with the application on November 13, 2001, a copy of the postcard receipt which had circled "Oath/Declaration Attached" and the Utility Patent Application transmittal sheet which indicates that three pages of the Declaration were enclosed.

We have not enclosed the \$130.00 declaration surcharge to avoid abandonment since we believe the attached documentation proves the Declaration was submitted when the application was filed.
